Content Outline for Dessert Website

Mia Harris
https://en.wikipedia.org/wiki/Dessert

I'm going to build this site as a multi-page site with tabs for navigation. The tabs will be as follows: **Introduction, History, Ingredients, Market, Varieties and Elements, By Continent, Sources.** Each tab will lead to a page that contains the text/content from the Wikipedia article.

Here is a descriptive outline of what will be on each page:

- **Introduction**
  - Description/definition
  - Etymology
  - Other names
  - Nutrition
- **History**
- **Ingredients**
- **Market**
- **Varieties and elements**
  - Cakes
    - Puddings
  - Small cakes and pastries
  - Confection
    - Chocolate
  - Custards
  - Deep-fried
  - Frozen
  - Gelatin
  - Pastries
    - Pies, cobblers, and clafoutis
  - Sweet soups
  - Wines
- **By continent**
  - Africa
  - Asia
  - India
  - Europe
  - North America
  - South America
  - Oceania
- **Sources**
  - Wikipedia sources
  - Photo credits
